Pole Docks Leisure Series

The Leisure Series Pole Dock is the most innovative aluminum dock in production today. Each dock is precision crafted from marine grade aluminum and stainless steel fasteners to create the perfect strength-to-weight ratio to ensure it is easy to set up each year and strong enough to last a lifetime. Each frame kit is boxed for ease of shipping and assembles in under an hour so you'll be enjoying your new dock on the first day! Each system is also easily reconfigured and expanded to suit the changing needs of your family so you can start small this year and expand as needed.
