Floating Docks

Classic Series

Our Classic Series Wooden Dock is a modern interpretation of a traditional style built for centuries. Proven construction techniques matched with our exclusive extruded aluminum structural hardware and foam filled box floats create a system that will blend with the beauty of your shoreline for years to come.

Choose our classic series if you are searching for a lower cost solution, a heavier, more stable design, or simply a dock that fits the natural look of your waterfront.

Our experienced carpenters are looking forward to building your next dock.

Classic Series Floating Docks Include:

- ✓ Frame, Floats & Decking
- ✓ Chain Retainers at Corners
- ✓ 15' & 20' Ramps Include Stiffener & Float
- ✓ 3 Year Wooden Frame Warranty
- ✓ 10 Year Welded Frame Warranty (Ramps)
- ✓ 15 Year Float Warranty

DID YOU KNOW?

Box floats are the best choice for flotation when big waves are less common.

Box floats offer maximum stability for walking & sitting due to the large surface area in contact with the water but for the same reason they also lift more easily when big waves occur.

Are big waves your normal? Check out our Titan Series Floating Dock with pontoon floats

**16" Freeboard
Foam Filled
Safely Leave In Ice**

Delivery & Installation is available through a professional 3rd party installation crew.

Delivery is \$200/HR one way. Installation is generally 10% - 13% and may change based on specific requirements.

All prices subject to change without notice. All measurements are approximate

Floating Docks

Classic Series
